

★Wax Future + Ski/Snowboard Storage Service★

◆Service

Waxing (Wax Future) + Storage (Ski/Snowboard)

*Storage service is available until December 31st 2020 at the latest.

What's Wax Future?

The Wax Future is a waxing machine for skis and snowboards that offers the highest level of „Racing“ quality waxing results, using the latest in Infrared Technology.

Wax Future penetrates the wax deeper into the base due to the infrared radiation – for perfect gliding properties over a long distance.

◆Price

3,500 yen

◆Deposit

Please bring your skis or snowboard into our store.
